

The  
University  
Of  
Sheffield.

Access  
To  
Thesis.

**This thesis is protected by the Copyright, Designs and Patents Act 1988. No reproduction is permitted without consent of the author. It is also protected by the Creative Commons Licence allowing Attributions-Non-commercial-No derivatives.**

- A bound copy of every thesis which is accepted as worthy for a higher degree, must be deposited in the University of Sheffield Library, where it will be made available for borrowing or consultation in accordance with University Regulations.
- All students registering from 2008–09 onwards are also required to submit an electronic copy of their final, approved thesis. Students who registered prior to 2008–09 may also submit electronically, but this is not required.

Author: Dr Paul Morris

Dept: Cardiovascular Science

Thesis Title: C.F.D. Modelling of Coronary Artery Disease

Registration No: 110261191

**For completion by all students:**

**Supervisor:** I, the supervisor, agree to the named thesis being made available under the conditions specified above.

Name: Dr Julian P Gunn

Dept: Cardiovascular Science

Signed:

Date:

9-9-15

**Student:** I, the author, agree to the named thesis being made available under the conditions specified above.

I give permission to the University of Sheffield to reproduce the print thesis in whole or in part in order to supply single copies for the purpose of research or private study for a non-commercial purpose.

I confirm that this thesis is my own work, and where materials owned by a third party have been used copyright clearance has been obtained. I am aware of the University's *Guidance on the Use of Unfair Means* ([www.sheffield.ac.uk/lets/design/unfair](http://www.sheffield.ac.uk/lets/design/unfair))

I confirm that all copies of the thesis submitted to the University (including electronic copies on CD/DVD) are identical in content.

Name: Dr Paul Morris

Dept: Cardiovascular Science

Signed:

Date:

9-9-15

**For completion by students also submitting an electronic thesis (eThesis):**

I, the author, agree that the University of Sheffield's eThesis repository (currently WREO) will make my eThesis available over the internet via an entirely non-exclusive agreement and that, without changing content, WREO may convert my thesis to any medium or format for the purpose of future preservation and accessibility.

I, the author, agree that the metadata relating to the eThesis will normally appear on both the University's eThesis server and the British Library's EThOS service, even if the thesis is subject to an embargo. I agree that a copy of the eThesis may be supplied to the British Library.

I confirm that the upload is identical to the final, examined and awarded version of the thesis as submitted in print to the University for deposit in the Library (unless edited as indicated above).
